

Remarks

The claims have been amended to place them in proper form according to U.S. practice, by omitting the drawing reference numbers, changing "characterised in that" to -wherein--, and omitting the preferred embodiment of claim 5 (as a result of which new claim 13 has been added to the application). Furthermore, the multiple dependent claims have been amended to depend from only a single preceding claim, in order to reduce the filing fee, as a result of which new claims 14-20 have been added to the application. These new claims are the same as claims 5, 9 and 10 except of their dependency.

Respectfully submitted,

Knut Ingvar ÅSEN et al.
